

From the steets to working and housed!
I'm looking and moving forward, thanks to the people and support of The Table!- Shawn S.

We are changing lives through sharing meals together!

What do people enjoy about The Table?

- The friendliness of everyone. Food is great, and I love the Jesus stories.
- Everyone is so nice. It feels like we are with family. The teaching is wonderful. The food is always delicious. I feel so happy and peaceful when I leave, and it is over. Thank you.
- I would not be working or housed without the support of The Table!
- I get to worship and fellowship with people who I wouldn't have met in a "regular Sunday church." The Table shows me what God's kingdom really looks like.
- The clothes, I really needed them. The people, I'm really lonely. Good food.
- I would not be talking to my children or working without the support of The Table. They supported me making the first steps to detox and sober living and beyond.

The Resource Table

Who We Are

We believe that eating a meal together and sharing stories and encouragement help all of us experience the love of Jesus.

Established in 2019 and incorporated in 2022, The Table Florida is a 501(c)(3) organization run by a dedicated team of volunteers.

We seek to meet physical, spiritual, and emotional needs with the help of partnering churches and organizations.

Goldenrod Civic Club

Winter Park, FL 32792

What you can expect on a Thursday night

We enjoy a home cooked meal, listen to live music and a short Jesus story. We share laughter, joys and struggles, encouragement and prayer as we gather around the table with friends, old and new. Everyone is welcome and the diversity in the room creates a unique, friendly and supportive community.

We've saved a seat for you!
